

Equipment Loan Policies & Security Deposit

The MHS Fencing Booster Club supplies all required fencing equipment for competition (except socks and shoes). This stuff is expensive, you do not have to purchase it. **We require that all families, 1) complete and submit this form to the Booster Club, and 2) attach a signed \$150 deposit check made out to "MHS Fencing Booster Club" dated March 1, 2020. If all goes well, we will NOT cash this check. Here's how it works:**

You must return uniform and equipment by the date announced by the coach but no later than March 1 (end of season). If your uniform and equipment are not turned in by the final equipment return date, your \$150 check will be cashed. **If you quit at any point during the season, please just return your uniform and equipment to a Coach so that you don't lose your deposit.**

We encourage athletes to fence over the summer. If you want to borrow equipment during summer you must provide a *new* deposit check at the equipment return (post date new check Dec. 1, 2020) and inform coaches that you are keeping equipment over the summer so that you do not forfeit your initial 2019-20 season deposit.

If you take equipment or a team uniform at any time without supplying a deposit check and fail to return items by the end of the season, a note will be sent to the Athletic Director and/or main office to hold your diploma.

I have read and understand the equipment deposit policy.
